

TEJASRI REJETI

Hyderabad, India 500084 | 7702976663 | tejasrirejeti@gmail.com

PROFILE

I am a passionate second-year AI and Machine Learning undergraduate, specializing in Python programming and algorithm development. I actively develop practical AI solutions, including an AI-driven public health chatbot and computer vision projects. With strong skills in logic, coding, and research, I focus on responsible predictive modeling in finance and healthcare. I excel in teamwork and leadership, and constantly seek remote internships to advance my career while balancing academics.

SKILLS

Programming: HTML, CSS, JavaScript, Node.js, Python, C++, MySQL, Java, Jupyter Notebook

Machine Learning: NLP, Data Handling

Web & Application Development: API integration, Problem-solving, Fast learner

INTERNSHIPS

Web Development Internship — CodSoft, Hyderabad, India (Oct 2025 – Present)

Gaining hands-on experience in software development and real-world project execution. Work with Python, AI, and web technologies for both frontend and backend.

EDUCATION

Bachelor of Technology – B.Tech, Computer Engineering

Malla Reddy University, Hyderabad, India

Expected graduation: June 2028

Currently pursuing B.Tech in Artificial Intelligence and Machine Learning with strong background in coding, analytics, and teamwork. Actively participate in technical clubs, hackathons, and research programs.

CERTIFICATIONS
